Dear Willy Botkins -  
How is the chicken these days?  
Is she with the Booser still in  
trouble. Take care of your vocal  
chords & your black pants. I wouldn't  
want either of them to make a trip  
down the potty (again). I'm being  
jealous. Hey, I said "have the knife".  
Be careful, if you need a Band-Aid,  
call me. I'm going to miss the Clipse  
& you had better write me & remember  
God Leppin (it must have been nice to  
be kept warm by two girls!). Billy,  
thank you for cheering me up when I needed  
it, but especially thank you for your  
friendship. Be good, & God Bless you.  
Love you, & the instigator

Traditionally, a yearbook is dedicated to the recording of important events of the school year. The 1973 yearbook staff has not broken this tradition. Yet you will find unique changes in this year's EAGLE. These changes were not made simply to be different, but in order to capture the changes which have occurred in school the past year.

Changes have occurred, not only in the building, but in the curriculum, the students, the teachers, and the community. The new Brandon Senior High School is the result of a dream. It was the dream of many people, made real by the efforts of many more. No one person structured the "new" Brandon High. It was built by many, and each person involved has added his personality to the totality called Brandon Senior High School.

The 1973 EAGLE staff has tried faithfully and realistically to capture not only the structure of the new school but also its essence. The 1973 EAGLE has changed to reflect this unique year at Brandon Senior High School.

A good administrative staff is important in any school to keep it running smoothly. Assisting Mr. Flagg, our principal, were Mr. Nelson and Mr. Briant who coordinated the overall school program and provided leadership. Mr. Johnson and Mrs. Wilson kept the students themselves in order.

The secretaries were also important in assisting these people. Mrs. Skinner is secretary to Mr. Flagg, Mrs. Cornett to Mr. Nelson, and Mrs. Hult to Mr. Briant. Mrs. Carter works with the deans.

The Guidance and Human Relations personnel were very important to Brandon this year. Mr. Jones and Mrs. Ward were available to rap with students concerning problems of any kind. Mr. Feeney, the Occupational Specialist, was new this year. His job was to do research into job opportunities and then pass this on to students. He also worked with students about how to apply for a job and where to write for more information.

In the fast-paced society of today, having proper communication skills is a necessity. The learning concept does not come overnight but is acquired only through years of study, determination, and dedication. These fine instructors at BHS have not only dedicated their lives to making the student feel at ease with knowledge, but they have also worked toward the betterment of the curriculum offered so each individual can meet his own needs in society.

Sixteen teachers and hundreds of students help to make this year's English program the best ever. With programs centered around the theme "communication" brand new classes have provided a new insight into the English language and its functions.

Among these, broadcasting is the most popular. This gives students a chance to "get behind the lines" and discover what an interesting and challenging career broadcasting is.

Speedreading, another newcomer to Brandon High, helps to prepare college-bound students for future studies and pleasure reading.

Special stress has been placed on oral interpretation classes as they help prepare young men and women for the personal and business contacts they will be making in the future.

The new team plan for teaching has proved to be a giant success and is enjoyable for both student and teacher.

# BUSINESS

# EDUCATION

Business Education is designed to provide students with basic business economic experiences and a high degree of training to meet their vocational needs. There is shorthand, typing, and bookkeeping.

Special programs as DCT, CBE, and VOE are offered.

DCT lets students go to school part of the day and then go to work the rest.

CBE offers the student a chance to work in business offices and use the training they obtained in school.

VOE allows the student a chance to work in jobs and projects they would have in an office occupation. They learn how to use different machines.

American History courses taught students the background of the United States Government.

# DEDICATION

Dan Harnley, Chief Architect for Watson and Co.

Student leaders discuss Congressman Gibbons' remarks.

Mrs. McLane and her son Ted

Eagle in ice

The formal dedication of the new Brandon Senior High School was held on September 28, 1972. The address was given by the Honorable Sam Gibbons. A highlight of the ceremony was the presentation of oil portraits of two former and the present principal of BHS.

A special dinner for dignitaries was held prior to the dedication in the Home Ec. suite. Following the ceremony the guests were given a tour of the school and served refreshments.

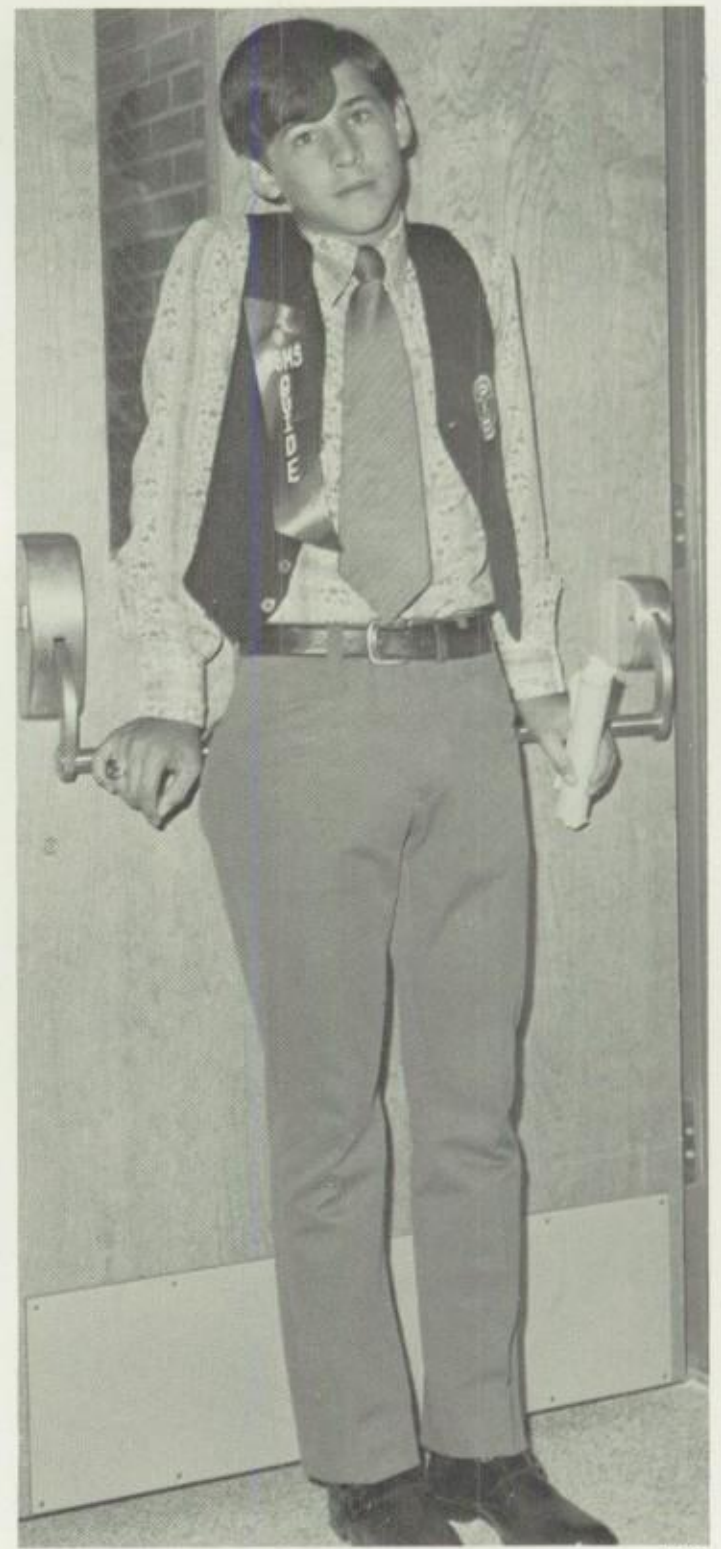

Mr. Flagg and Paul Wharton

Mrs. Laura McLane

Pep Assemblies were held every Friday before a game with skits from the cheerleaders, songs from the band and pep talks from the football captains. As a result of a large student body the assemblies were split into two periods. The maroon and white spirit stick, a new tradition at BHS, was given each week by the cheerleaders to the most spirited class.

To end the assemblies the students and teachers, with the help of the band, sang Brandon's Alma Mater.

# PEP ASSEMBLIES

BHS dog patrol in action for the Hillsborough game.

Pep assemblies boost the spirit of the players, cheerleaders, and the students before each game.

# CAN STACK

The can stack for 1972-73 was great. Each year just before Thanksgiving, BHS students collect canned goods for needy families.

The cans were gathered in homeroom during the week of November 5-17. The contest was held after school on Tuesday, Hick day of Spirit Week.

Once again sophomores succeeded in stacking more cans than the other two classes.

Thank God that we learn to give and share with others who don't have.

This year the can stack was won by the sophomores once again.

The juniors work hard at trying to win.

The senior's traditional magazine sale was held October 19th through the 27th. The total amount of money made was \$7,350.84. Richard Wheeler, the highest salesman, sold \$322.50 worth of magazines. Prices were awarded for each magazine sold. The money went toward the senior prom.

# SENIOR SALE

Keep on truckin'—Class of '73.

Lisa Amlong, Bill Vargo, Becky Rothman, Donna York, Martha Futch, Richard Wheeler, Mike Clark and Roberta Campbell were the top senior salesmen.

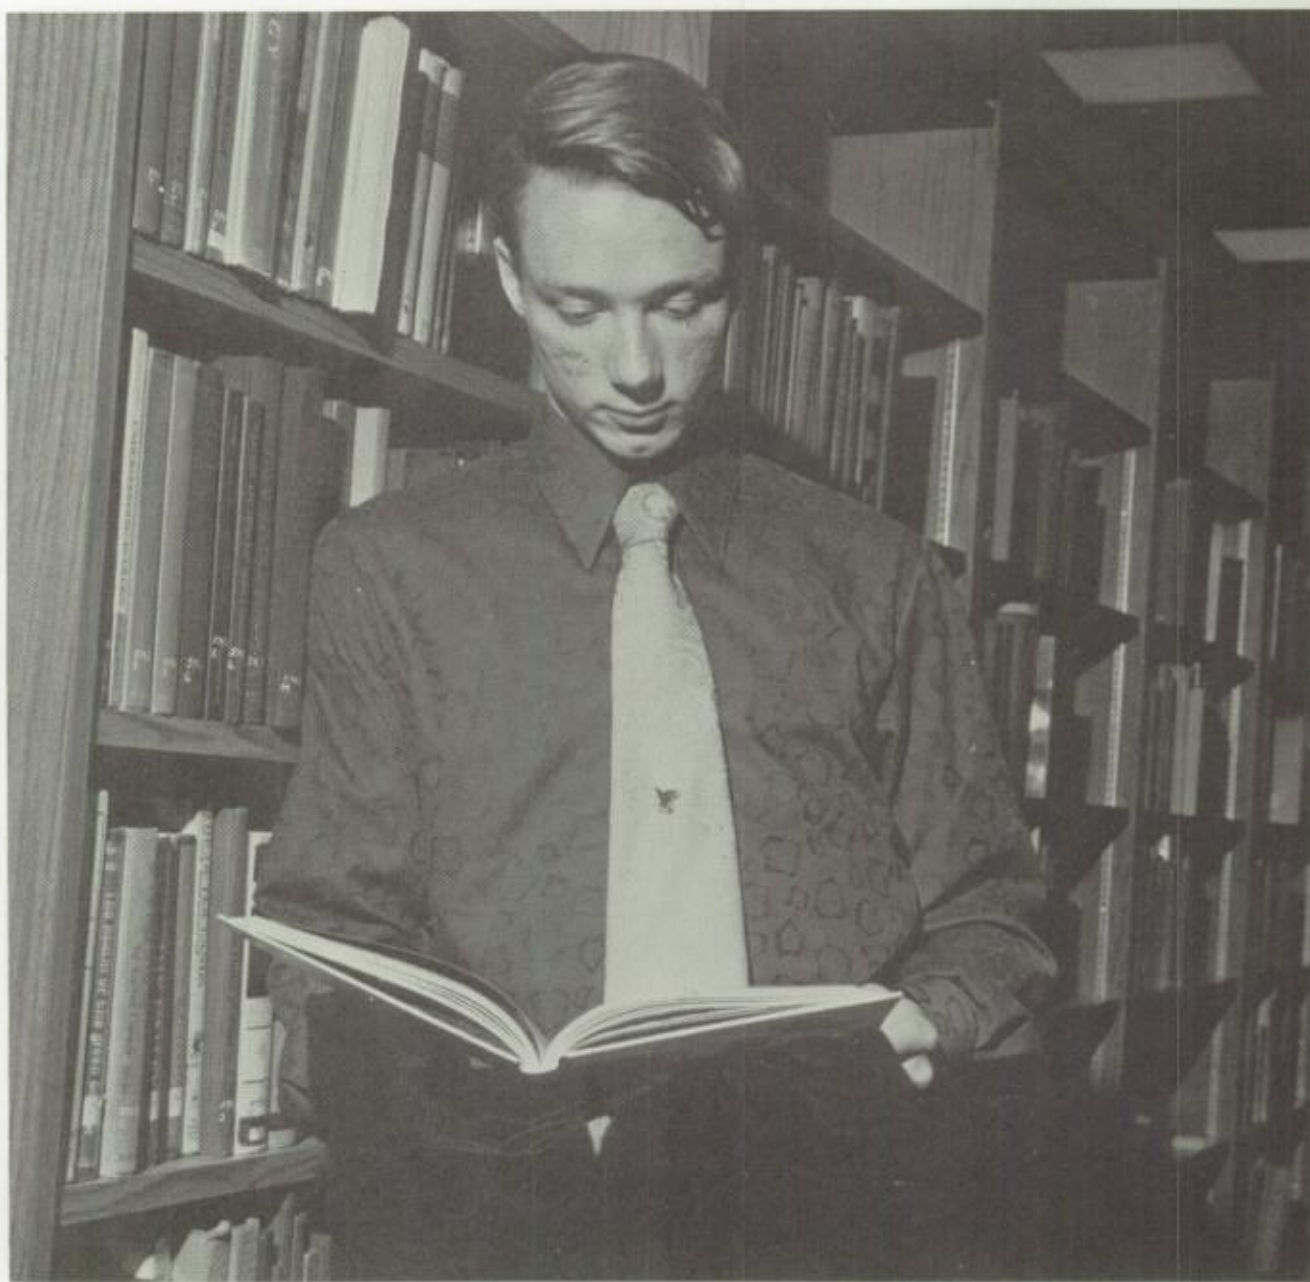

## Exchange Students

Harvey arrived in Tampa August 4, 1972. He has been interested in language and history and became interested in the exchange program when a former exchange student came to his class and told about the program. Feeling that he had a very slim chance, he and 19 others were chosen out of 80 candidates.

Henry enjoys reading very much, particularly contemporary novels and stories with an interesting historical background. He likes to watch movies which have a realistic ending. "I don't like to go to bed late, but when there is a good movie . . ." he explained. His favorite pet is his poodle "Harvey" which is a present from his host family. When he returns to Germany in July he plans on taking his dog.

"School is as dull here as it is in Germany," Harvey says, "but I know there exists no perfect country and I can honestly say that the U.S. can be a nice place to live."

Harmut Renziehausen from West Berlin, Germany.

Ann Ehrnstrom from Helsinki, Finland.

Ann was born in Helsinki, Finland, September 13, 1955. After this year as an exchange student in Brandon, she'll go back to Finland and finish two more years of school. The school in Finland is very hard and doesn't leave her time for other activities. She will try to keep up with her jazz and ballet which she takes 3 to 10 hours a week. During the holidays she works and travels.

Ann would like to travel through the Soviet Union to Japan and to India. The summer after next she plans to go to France and stay.

After schooling Ann wants to study to be a psychiatrist.

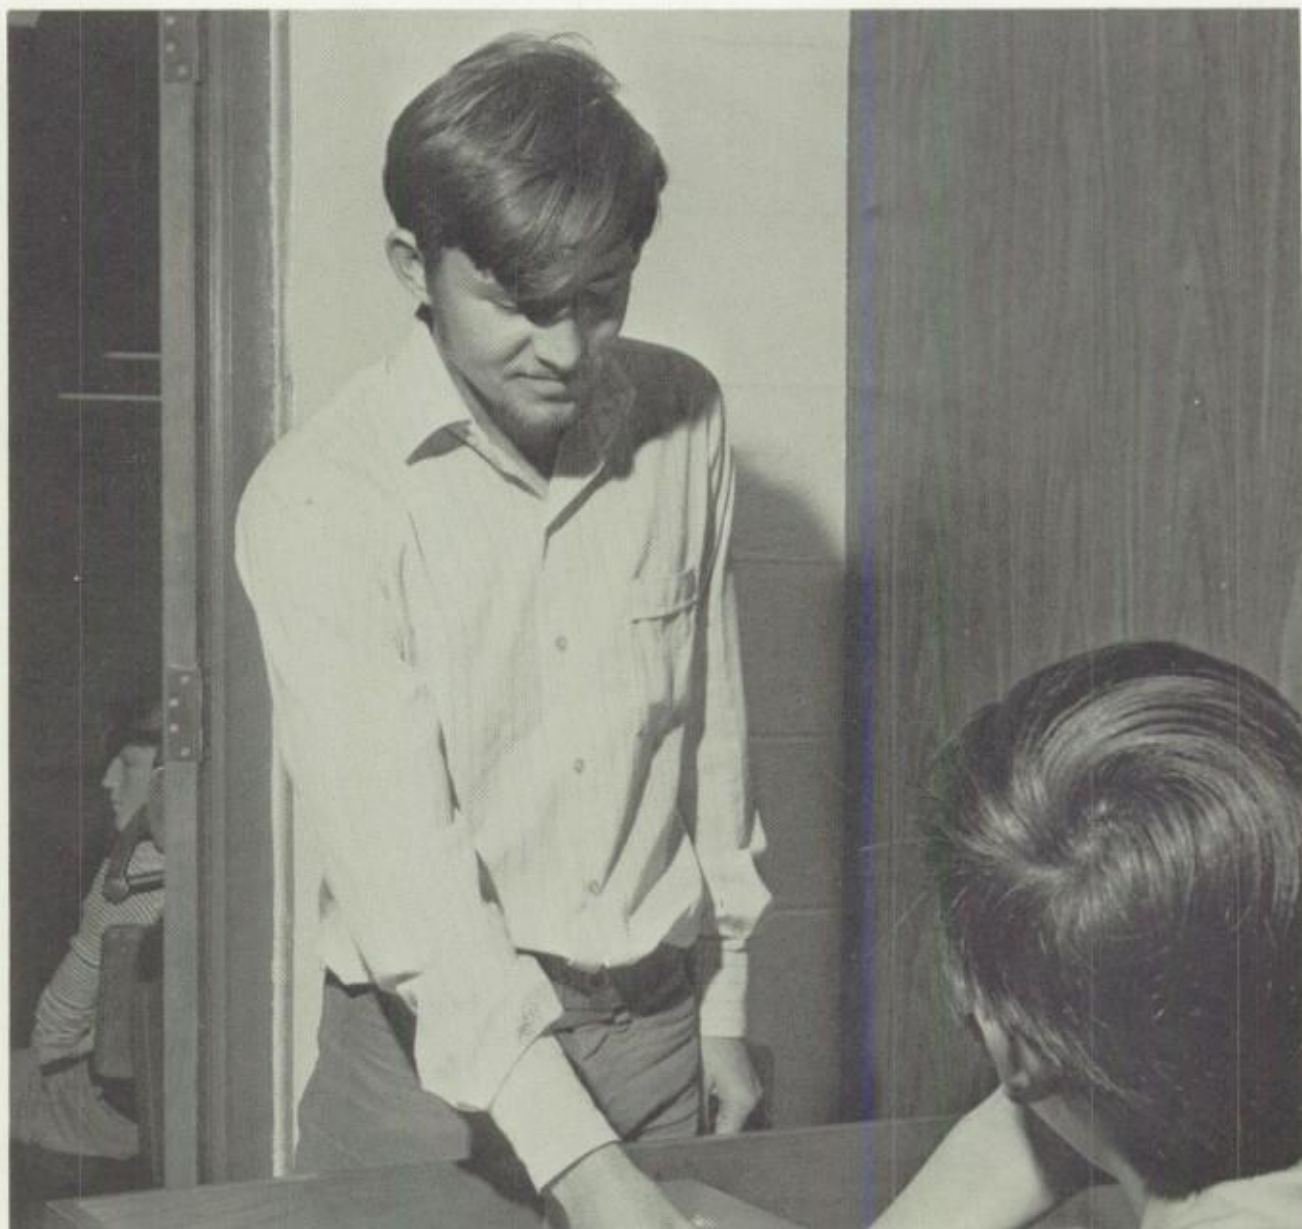

Susan Anne Guingona from Manila, Philippines.

Susan was born in Manila, Philippines on July 25, 1955. For 8 years she went to school away from home as an intern and came home only on holidays. The third of five children, she says she is the most aggressive one. She loves to play the guitar, cook, dance, swim, and most of all paint her fingernails.

Susan describes herself as a gregarious character by nature who loves to meet all kinds of people. She believes that traveling is a form of education, and having contact with a lot of people is a way of learning about feelings that no one can learn from books or a classroom.

Through her travels she hopes to reach at least a few people and help bring about a better understanding between the U.S. and the Philippines. "At least I would like to try to do my best to be an ambassador of goodwill for the Filipino people," she says.

Terje was born in Stockholm, the capital of Sweden, on April 19, 1955. Some of his hobbies are magic, dancing, and international politics. Here at Brandon High he is involved with many clubs and activities. These include Interact, Paramed, Drama, Beta Club, the track team, and student government. Terje also enjoys playing the clarinet and saxophone in the Brandon High Band. He says it is a pleasure to visit in the U.S. and to learn about the people and customs even though he doesn't agree with everything. He says, "I like it here in America, but home is always best."

Terje Simberg from Stockholm, Sweden.

Beauty highlighted the annual Calendar Girl Contest held October 13, 1972 in the school auditorium. From the 42 finalists selected in a preliminary contest, a cover girl and 12 other young ladies were chosen to grace each calendar month. Panels of professional men and women from Tampa judged both the preliminary and final contests. The contestants, chosen by homerooms and clubs, were rated on poise, choice of outfit and beauty of face.

# Spirit Week

The week of November 13th through the 17th was spirit week. The activities consisted of Dress-Up Day, Hick Day, Silent Day, Clash Day, and Sign Day.

A special pep assembly, the Hop-n-Eagle, was held on Thursday night. The climax of Spirit Week was the Homecoming game against Jefferson, after which was a dance in the cafeteria.

As the seniors pull, the juniors drown.

On your mark, get set . . . . . GO!

After the tug-of-war, the participants were thrown in.

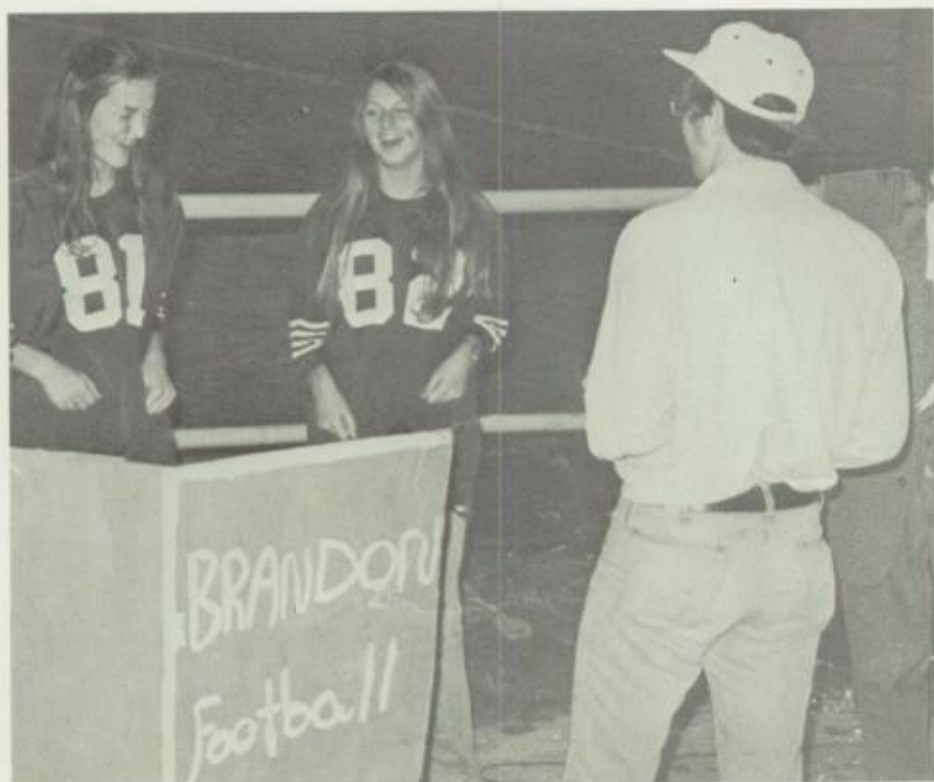

Jay Myre took second place in the little wheel division.

## HOP -N- EAGLE

Thursday, November 16, was BHS annual Hop-n-Eagle. It was sponsored by Interact. Many clubs prepared funny skits representing our team and Jefferson, the opposing team. The attendance was great and the spirit was even better.

What's Hop-n-Eagle without our BHS Super Eagle?

# Queen

Londi McWaters was born in San Angelo, Texas, February 5, 1955. She attended Horace Mann Junior High and has lived in Brandon for seven years.

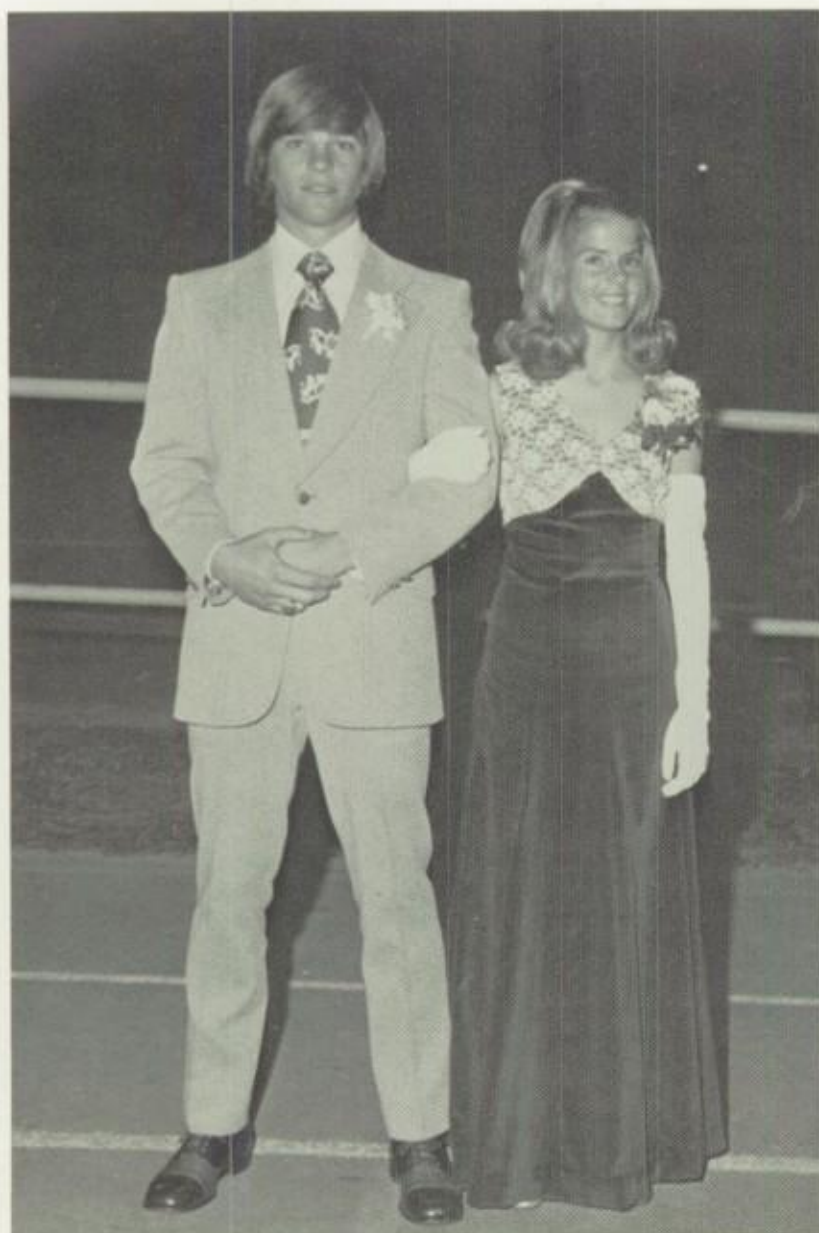

She is on the Student Advisory Committee, a member of Y-Teens, Forensic League, and was chosen Calendar Girl.

Miss Gonzalez explains the French culture.

The French Club has been busy trying to develop a better understanding of French culture, doing service projects for the school and community and presenting members with a chance to study and use French outside of the classroom. Learning French songs also aided in acquainting the students with the language and customs of France. Wearing red, white and blue jerseys, French colors, members enjoyed the sights at Disney World. Miss Gonzalez, sponsor of the club, enjoyed working with the French students. President and Vice President were Nancy Lentz and Debbie Alderman.

The main purpose of the Forensic League was to encourage in every way oral communication through participation in the various areas of dramatics, debate, original oratory and extemporaneous speaking. The activities of the club centered around participating in contests throughout District IV, which included 22 counties. Forensic League members also presented special programs for local clubs.

Because the Forensic League had such a unique set up, no officers as such were elected. Instead the chairman was Rick Davis, and the co-chairman was Lois Bartels.

Forensic means "speech competition". It was the club's primary aim to represent the school, by giving the highest quality performance possible. Furthermore, the Brandon Forensic League aided the school in every way possible by providing dynamic, thought-provoking speakers whenever the need arose.

## Student

Steve and James talk to Mr. Nelson about future plans for the Student Government.

President—Steve Diaz  
V-President—James Dudley  
Secretary—Rue Edwards  
Treasurer—Kim Martinez

The major function of the Student Government is to serve as a link between the students, teachers, and the deans. They did an excellent job in this field of service.

Some of the many projects were organizing the orientation day for the new school, selling beat tags for the football season, sponsoring a jam session in March, and taking over the procedures of electing Senior Notables.

The Student Government was greatly concerned about the school and the "unity" of the students. This unity was accomplished by the help of the students of Brandon High School.

James Dudley took over the presidential responsibilities following Steve Diaz's resignation at the end of the first semester.

The major function of the Bi-Racial Committee was to promote and assist groups consisting of minority and non-minority students to develop mutual and inter-racial understandings through planning and conducting extra-curricular activities. They conducted regular rap sessions with students not on the committee. The committee was used to help smooth out racial integration.

Mrs. Ward and Mr. Jones the sponsors, were there to help solve any problems that arose.

The committee was made up of sophomores, juniors, and seniors, equally divided between blacks and whites.

# Orchestra

The Brandon High School orchestra played in many different places this year. They performed several times for the student body in the auditorium and also for all the principals of Hillsborough County. They gave a concert in Sun City for a men's club and several of their members attended All State Clinic at the University of Florida. The entire orchestra participated in the Florida Orchestra Association Contest at Florida State University.

 which gave the student body a chance to hear  
 the Concert Choir perform along with various  
 other groups. The orchestra and chorus per-  
 formed Gloria by Vivaldi in the annual Christ-

Waiting for halftime

Planning and participating in all pep assemblies, making individual invitations for the football players and cheering the Eagles on to victory were some of the responsibilities of the cheerleaders. Led by Martha Futch, head cheerleader, the squad was able to produce Eagle Spirit with sounds of swishing shakers, stomping feet, and clapping hands. These things resulted from many hours of hard practice and a great love for the big maroon and white.

Mrs. Moresco, sponsor of the cheerleaders, backed the girls all the way.

In addition to their excellent performances during halftime, and their annual participation in the Gasparilla and Strawberry Festival Parades, the Dancerettes, Majorettes, and Colorguards made a debut appearance with the band in a night parade at Disney World. They helped finance the expedition by selling BHS trash cans at the beginning of the year. To top off their prize-winning season, they won a superior rating at district contest for the sixteenth year in a row.

High Q and Categorically Speaking contestants were chosen from junior and senior applicants with a minimum grade point of 3.0. Each applicant was then interviewed to determine scholastic ability, maturity, spirit of competition, and actual interest in becoming a participant. It was important that the student not be shy since they would be in front of TV cameras. Each student was asked to give his best and worst subject so that a good team balance could be achieved. The High Q team, composed of four members and one alternate, competed with King and lost. Five members and one alternate made up the Categorically Speaking team. Brandon won the game between the Eagles and Tampa Catholic on January 8. Brandon played a run off game against Hillsborough March 12th.

Hard work, sweat and more hard work. That's what it took. When most of us were going home, there were 42 bodies getting ready to go through an experience that some of us may never imagine. Sprints, pushups, drills and scrimmages. 3 hours a day, four days a week. Putting it all together week after week for 60 minutes of hitting, crushing and running. They lost all but one, but they really didn't lose. They proved that they could play football. They could take what it could give.

The stadium is empty, the players have dressed out for the last time and the cries of the fans will echo no more in 1972-73. The seniors will be gone, but next year the Pullaro's Humberson's and Newman's will once again run onto the field to the yells of hundreds.

This year the varsity basketball team showed great achievement. Through constant struggle during each game, the boys showed a strong determination to win. The boys pride and desire to win helped keep the team going. One of the biggest upsets of the year was when the Brandon Eagles beat the Hillsborough Terriers 70-69. The win came when Hillsborough's Mike Brown fouled Buddha Ochs giving him a foul shot that won the game. There was a lot of excitement during the games and there was always a great turnout. The fans showed their support and spirit.

The top scorer was senior Kent Glover who was 2nd place scorer in the Western Conference.

This year the swim team had a new swim coach, Dave Naffziger. He is an experienced coach who has done a great deal of swimming himself.

Everyday the Eagle tankers set about the task of swimming countless laps at the Interbay Pool in Tampa. In order to practice, the swimmers traveled 40 miles a day to swim. Early in the season, practice was hampered by cold water and poor weather.

At the beginning of the season, the team sold 1000 lbs. of candy to earn money to pay for their swim suits, t-shirts, and pay expenses to the Woodson Invitational in Ft. Lauderdale. Besides this meet the swimmers placed high in the Conference as well as the City Meet and the Leto Invitational. Faced with a tough dual meet schedule the team came thru with an excellent record in preparing for District and State.

happiness and disappointment

Bill, I'm at  
for once I'm at  
a loss for words.  
Really I enjoyed knowing  
you for this past year & to  
have a lot of fun too. You've  
got a fantastic personality with  
looks to match. (You'll probably have an  
ego to match after this) I really hope that  
we can keep in touch despite distances. God  
Bless you! I'll never forget you and you need  
facial expressions. Try not to forget me (at least for a  
month.)  
Love always,  
Sue '73

It's been somewhat  
of a pleasure trying to get to  
know you! You are terribly  
difficult! Don't forget SANTANA!

Right arm - cut it off - throw up!

Hey and you and the Brusser  
had better be glad that I  
didn't tell that you and  
him did the job on Cronella!  
Remember District & State and  
us taking a ride to Kiss! And  
you threw my brush out the

window and we ran far!

And all the bugs we shared  
and the play (yuk) And your pants  
got hand-towel washed! Well  
just remember all that and me!  
Good Luck & God Bless.

Much Love, Beth
